### "Out Of Touch"

I'm out of touch with all my friends  
Everytime I see them again  
All the days I've been away  
Wouldn't be different if I stayed

You're losing me  
You're losing me  
You're losing me, again  
You're losing me  
You're losing me  
You're losing me, again

You're losing me...

Driving on the empty road  
I forgot I fell in love back home  
I start to wonder if I changed  
I start to wonder if you  
Even if you  
Even if you  
Even feel the same

You're losing me  
You're losing me  
You're losing me, again  
You're losing me  
You're losing me  
You're losing me, again

You're losing me...

I'm out of touch with all my friends  
Everytime I see them again

You're losing me  
You're losing me  
You're losing me, again  
You're losing me  
You're losing me  
You're losing me, again

I'm out of touch with all my friends  
Everytime I see them again  
All out of touch with all my friends  
Everytime I see them again

You're losing me
