

Innocence Mission

"Follow Me"

Visit "[Follow Me](#)" on MotoLyrics.com

We're good soldiers, getting by
On the border of this life
And the darkness is no place
To be frightened, afraid

Trust
Trust
Trust
Trust
"Trust" means you can't see, but you know, you know
"Follow me" means you can't see but you grow, you
grow

See no evil your soul
I just count on you, I just know
When I question, I am wrong
I should know better, should be strong

Trust
Trust
Trust
Trust
"Trust you" means you can do, and there's no I know
"Follow you" means you lead me through and I go, I go

[illegible]

Yeah, yeah do I, do I believe you?
Yes I do
And I see, and I see no evil in your soul
Your sweet sweet soul
