"Into Brooklyn, Early In The Morning"

Yes the sidewalk
soon will launch you
into Brooklyn
through the air.
And they will
give a cheer
I am sure when you are coming near
to the ground.

yeah, yeah
yeah, yeah

Early in the morning when you fly away
Oh, early in the morning when you fly away

"Beautiful life
full of greiving,"
so will sing the
Russian choir.
They will sing
in the square
as you come down through the Brooklyn air
to the ground.

yeah, yeah
yeah, yeah

Early in the morning when you fly away
oh, early in the morning when you fly away

babababa...

Early in the morning when you fly away
oh, early in the morning when you fly away
oh, early in the morning when you fly away
oh, early in the morning when you fly away
oh, early in the morning when you fly away
oh, early in the morning when you fly away
