Lyrics to Love That Boy :

I love that boy and he is my friend.
I see him going down the long hall.
I love that boy and he is my friend.
I wave to him from very far off.

He goes uphill,
I wish that I could follow after him.
He goes uphill.
Please let him be safe there, across the way.
I love that boy, I say.
I love him all the day.

I love that boy and he is my friend.
We're driving through the state of Maryland.
I love that boy and he is my friend.
I love to see him sleeping in back.

He goes uphill,
I wish that I could follow after him.
He goes uphill.
He dreams a city street a hundred ways.
I love that boy, I say.
I love him all the day.

And I'm standing up under the trees,
I'm cheering every day.
I love that boy, I say.
I love that boy and he is my friend.

I see him going down the long hall.
I love that boy and he is my friend.
I wave to him from very far off.

He goes uphill,
I wish that I could follow after him.
He goes uphill.
Please let him be safe there, across the way.
I love that boy, I say.
I love him all the day.

I love that boy and he is my friend.

We're driving through the state of Maryland.
I love that boy and he is my friend.
I love to see him sleeping in back.

He goes uphill,
I wish that I could follow after him.
He goes uphill.
He dreams a city street a hundred ways.
I love that boy, I say.
I love him all the day.

And I'm standing up under the trees,
I'm cheering every day.
I love that boy, I say.
