Sweep down early,  
Tomorrow, come.  
Ring out.  
Tell me you have arrived.  
I will kiss all the faces of  
my beloved ones. -I  
will meet the morning.  
Sweep down early, my friend.  
Sweep down early, my friend.  
Sweep down early, my friend.

Flower forth, all you branches of Easter.  
Why won't the spring come?  
Sweep down early, Tomorrow, come.  
Tell me that I can just start over again.  
Sweep down early, my friend.  
Sweep down early, my friend.  
Sweep down early, my friend.

And we will go  
somewhere now.  
And it feels like  
we can go  
in the morning.  
Oh, when the morning comes.

Sweep down early, Tomorrow, come.  
Tell me how I can just start over again.  
Sweep down early, my friend.  
Sweep down early, my friend.  
Sweep down early, my friend.

And we will go  
somewhere now.  
And it feels like  
we can go  
in the morning.  
Oh, when the morning...

And we will go  
somewhere now.

And it feels like  
we can go  
in the morning.  
Oh, when the morning comes.

Sweep down early, my friend.  
Sweep down early, my friend.  
Sweep down early, my friend.  
Sweep down early, my friend.  
Sweep down early, my friend.
