

Innocent Fall "My Fall"

Visit "[My Fall](#)" on MotoLyrics.com

Ever since you left
My life's been falling down
And I don't know what to do
Cause my life depends on you
(On you)

This is my fall
My innocent fall
My life is falling apart
And it's all your fault

And that thing you said
That we will never be together again
Well that just made it worse
This feels just like a curse

This is my fall
My innocent fall
My life is falling apart
And it's all your fault

(Your Fault)

This is my fall
My innocent fall
My life is falling apart
And it's all your fault
My innocent fall
My life is falling apart and it's all your fault
