Something has gone wrong
We're losing all our rights
Everyone is blind
Everything has changed
Moving every day
Towards a police state
Secret government
Will take it all away
Disinformation
Is your only source
Burying thee truth
Keeping us apart
Illuminati
Secret society
What can we do?
What can we do? Have we all lost?
Is it too late?
What can we do?
What have we done!
I often wonder why
Nobody can tell
just what the hell
Is going on
Everything you're told
Your entire life
Every single thing
Is a fucking lie
Look around you
Things are not the same
We're letting them win
Who's the one to blame?
Majority
Jason society
What will you do?
What will you do?
When it's all gone
You will be in chains
When it's all gone
You will be their slave
Something has gone wrong
Our minds are numb
We're lobotomized

>From mind control
But what of us
Is it not our fault?
We let them rule
We became the flock
Nineteen people
Are in command
You think you know
Just where it started?
They've got the balls
of Uncle Sam
What did we do?
What did we do?
It's all gone
We are all their slaves
We are fucking blind
We are all in chains
