Is it just me?

Or has religion been the cause, of nearly all wars, a  
Nation made of hatred is taking by force  
Any place it can afford in the name of the lord, and  
Have a backpacker hijack a concord  
There's a feud goin on, and if you choose to fight in  
It expect you're gonna lose all sight of your  
Enlightenment  
God and his will wouldn't have you hurt your enemies,  
Because every kill takes you further from serenity  
The penalty? Never ever having tranquility, every man  
And woman is born with the ability to fill any  
Gaps for themselves, for happiness dwells in the  
Untapped wells of the heart  
Of every human being and it's been there from the  
Start, no matter how stupid no matter how smart  
No matter what colour, or nationality, God lives within  
Or

Is it just me?

Is it just me?

Is it just me?

But who's the leader of our country, some kind of  
Weiner, voters must be drunk on fucken Comedina  
To be so confused about which policy to choose, every  
Time he makes a promise I am honestly amused  
He refused to say sorry and I worry that his views, are  
Lacking in courage and our money is abused  
Full of half-truths and insincerity, are we gettin  
Screwed or

Is it just me?

But do the days go faster, nothing seems to last as  
Long as it did, back when I was a kid  
The world was infinite, every river was a sea, every  
Second was a minute or

Is it just me?

But that's the magic of Christmas, have a big business,  
Come and put an ad in the middle of your wish-list  
Playing on your greed with the things you don't need,  
So you perceive the exquisite or

Is it just me?

Am I all alone?  
Am I all alone?  
Am I all alone?  
Am I all alone?

Or is it just me?  
Is it just me?  
Is it just me?  
Is it just me?  
Is it just me?

But have models gotten skinnier? In the new millenia  
Their bodies are screaming 'I suffer from bulimia'  
Lookin like hell but they tell themselves they elegant  
I think I'd fuck an elephant rather than a skeleton  
Intelligent, have they on a head-trip, girls are  
Anorexic cos they think the world expects it  
No matter how fat you're gonna be, naturally,  
Individuality, is the key that'll set your mind free

Am I all alone?  
Am I all alone?  
Am I all alone?  
Am I all alone?

Or is it just me?  
Is it just me?  
Is it just me?  
Is it just me?  
Is it just me?
