Guess I once was strange  
Silence waiting game  
Should have it to dawn  
What I faces is were

#Think i'll stay on over  
#Gotta move a little closer  
#Think of what I should and shouldn't have  
#And still I haven't hadn't had another chance  
#To pity me enervated can't you see

(i'm not there)

\*Mystery...mystery of

Nothing...mystery...hey..yeah..yeah..yeah..mystery of  
Disgrace  
Should have followed her  
Like I'd bother  
Across the lake of my own  
Guess I'd bother
