i can't wait for you anymore  
i gotta move on  
i can't wait for you anymore  
i gotta move on

baby you know i like you  
but i just don't love you  
don't wanna leave you  
but i just can't please you  
since you don't want me  
i'll keep you waiting  
gotta get it off on your own yeah

i can't wait for you anymore  
i gotta move on  
i can't wait for you anymore  
i gotta move on

i gave you lovin', kissin' and huggin'  
but you say i'm buggin (but i want your, i want your  
love)  
since i can't please you  
baby i gotta leave you  
gotta get it off on my own yeah

i can't wait for you anymore  
i gotta move on  
i can't wait for you anymore  
i gotta move on  
i can't wait for you anymore  
i gotta move on  
i can't wait for you anymore  
i gotta move on

i can't wait for you anymore it's true  
somehow i keep looking like a fool  
but i do what i gotta do to prove  
that i can't live without you  
i can't wait for you anymore it's true  
somehow i keep looking like a fool  
but i do what i gotta do to prove

that i can't live without you
