You kno i love your kompany, but my momma don't

So, until you get a place were we kan hang  
Im gunna be your telephone baby

Chorus:

So let me hear you moan  
While were gettin freaky on tha phone(while we get  
freaky on tha phone)  
Talk a lil dirty get it on  
Now let me hear you moan  
Ohhhhhh  
So let me hear you moan  
While we gettin freaky on tha phone(while we get  
freaky on your phone)  
Talk a lil dirty get it on

I kan tell when there's somethin ta hide  
Kuz your werds sound shady  
And then you start act'n shy  
So if this aint a real good time  
Or if somebody's on your other line(somebody's on  
your other line)  
Ill kall you around 10 my friend  
And were gunna let tha nite begin

Chrous:

While were gettin freaky on tha phone(while we get

Now let me hear you moan

While we gettin freaky on tha phone(while we get
