### INTRO VERSE:

I've got feelings for a friend  
But I don't, I don't know how to tell him  
And how I want to feel his love  
But I'm scared  
Oh so scared to tell you  
(ooh)

### CHORUS

So baby can you love me?  
'Cause I need to feel your love  
So baby can you love me (love me)  
So baby can you love me?  
'Cause I need to feel your love  
So baby can you love me (love me)

### VERSE I

I don't want nobody else  
I just want you for myself  
Everybody knows I got feelings for you  
(ooh)  
We've been cool since we've been kids  
But I can't go on being friends  
You're always on my mind  
Ooh baby I think I'm falling for you  
It's true

### CHORUS

### VERSE II

People say we look good together  
You say we'll be friends forever  
I hold my feelings in everybody knows it but you  
It's true (yeah)  
Come on baby won't you look at me  
I'm not your sista I'm your lover to be  
(I know it sounds funny)  
I think i'm in love with you  
It's true

### CHORUS (x4)
