I'm lying alone
With my head on the phone
Thinking of you till' it hurts
I know you hurt, too
But what else can I do
Tormented and torn apart
I wish I could carry
Your smile in my heart
For times in my life
Seemed so low
It would make me believe
What tomorrow will bring
When today doesn't really know
Doesn't really know

I'm all out of love
I'm so lost without you
I know you were right
Beliving for so long
I'm all out of love
What am I without you
It can't be too late
To say that I was so wrong

I want you to come back
And carry me home
Away from these long lonley nights
I'm reaching for you
Are you feeling it, too
Does the feeling seem oh so right
And what would you say
If I called you now
And said I can't hold on
There's no easy way
It gets harder each day
Please love me or I'll be gone
I'll be gone

I'm all out of love
I'm so lost without you
I know you were right

Beliving for so long
I'm all out of love
What am I without you
It can't be too late
To say that I was so wrong

What are you thinking of
What are you thinking of
What are you thinking of
What are you thinking of

I'm all out of love
I'm so lost without you
I know you were right
Beliving for so long
I'm all out of love
What am I without you
It can't be too late
To say that I was so wrong

I'm all out of love
I'm so lost without you
I know you were right
Beliving for so long
I'm all out of love
What am I without you
It can't be too late
To say that I was so wrong
