### "Love You Down"

It never really mattered too much to me.  
That you were just too damned old for me.  
All that really mattered was you were my boyfriend.  
And babe, that's all that mattered to me.

Let me love you down, even if it takes all nite.  
Let me love you down, you know it's gonna be so right.

Remember when you drove me home from work.  
I love the way you kiss me bye. Mmmm....  
All of your friends think I'm just too young for you.  
So tell em I can do what girls their age can do. Oh babe  
...

Let me love you down, even if it takes all nite.  
Let me love you down, you know it's gonna be so right.  
Let me love you down, even if it takes all nite.  
Let me love you down, you know it's gonna be so right.  
Oh....

It never really mattered too much to me.  
That they were just too damn blind to see .  
As long as I could love you down, baby just be my man.  
That's all that mattered to me.

Let me love you down, even if it takes all nite.  
Let me love you down, you know it's got to be so right.  
Let me love you down, Ooooooo  
Let me love you down, I know, I know, I could.  
Love you, down, down, Ooooooo  
Love you down,  
down, Know, Know, Know, Know, Know, Know, Know, Know,  
Let me love you, I wanna love you, Down.  
Let me love you, I wanna love you, Down babe.
