Boy you should know that
I've got you on my mind
Your secret admire
I've been watching you

(Chorus)

At night I think of you
I want to be your lady baby
If your game is on give me a call boo
If your lovin's strong gonna give my all to you
(repeat)

Everyday I pray my heart can win
Every night I pray I can call you my man(yeah yeah
yeah)
I need you
I want you
To have you, hold you, squeeze you
So I'm going out every weekend
Just to see my boo again

(Chorus)

At night I think of you
I want to be your lady baby
If your game is on give me a call boo
If your lovin's strong gonna give my all to you
(repeat)

These feeling I have for you
Can go deeper if you can come
Correct with you game boy(no, no)
No you can't be lame boy
But if you can please me
Than my love will come easy
I'll do anything you want
Freak me boy
I'm thinking of you

(Chorus)

At night I think of you
I want to be your lady baby

If your game is on give me a call boo
If your lovin's strong gonna give my all to you
(repeat)

Boy you got all I need
From what I see
And boy every night I am constantly thinking of you

(Chorus)
At night I think of you
I want to be your lady baby
If your game is on give me a call boo
If your lovin's strong gonna give my all to you
(repeat)
