I must have been foolish
But how could I be such a fool to let you get away
But why did I do it
'cause now I'm lonely oh baby what can I say

I want you
I need you
I love you
Come back to me precious love
In good times
I'll be your sunshine
No more bad times
Come back to me my love

My friends tried to tell me
That you were the man of my dreams, you should be in
my life
But I didn't listen
And you're the only man for me and now my heart is
broken in pain
It's taking over me
'cause I want your love in my life
It's something that I need
And now I'm crying

Oooohh
Precious love
Come back to me my love

I want you
I need you
I love you
Come back to me precious love
In good times
I'll be your sunshine
No more bad times

Baby I want you
I need you
I love you
Precious love

In good times
I'll be your sunshine
No more bad times

Must've been crazy
To let go of my baby
To let go of my baby
Yeah yeah yeah

Must've been crazy
To let go of my baby
To let go of my baby
Yeah yeah yeah yeah

Must've been crazy
To let go of my baby

I must've been crazy
To let go of my baby
Come back to me my love

I want you
I need you
I love you
In good times
I'll be your sunshine
No more bad times

I'll be your shining star
I'll brighten all your skies
And if you'll love me baby

Come back to me precious love
Don't let me cry
Come back to me my love
