Why am I here and your there
So far away its not fair
To be with you like this
I miss you more than
you know
The nights are long the
days slow
Without the warmth of
your kiss
I wish you were back here
with me
Cause out my window
all I see is

(chorus)

Rain Rain in the sky
Every where I look
my eyes see
rain rain falling down
crying as it hits the ground
Rain Rain in my heart
everyday we're apart
rain rain falling rain rain
rain rain only rain rain

The sun is strong when your near
but when your gone it disappears
behind a ocean of blue
the telephone's not
good enough
it can't reach out
it can't touch me the way
you do
wish you would knock at
my door
cause only you can stop
this pour

(chorus)

Maybe I'll go outside and

walkin beneath the clouds
Pretend that it's you
washing over me
distance is the only thing
that comes between us now
baby soon we'll be together
(rap)
rain fallin from the sky
all i do is cry and think
of you
can't dry my eyes
rise above the clouds
all my love is not allowed
your not here to share
the showers
all my powers taken over
can't find no cover
taken over the rain rain
comin at me like a train train
drivin me insane-sane
wanna run to the sun
(normal)
Everywhere i look i see rain

(chorus)

everywhere i look i see rain

it'll never be the same
If you don' stop the rain
