I'm gonna rock this place like  
outer space  
Give it something ya  
never had  
I'm gonna paint my nails and  
dye my hair  
and take me a champagne  
bubble bath  
I'm gonna speak my mind at  
anytime that i find that  
I got something to say  
i'm gonna jump around and  
paint this town  
Now let me hear you say,  
HEY!!

(chorus)

Take me, Take me down  
(Take me down)  
Don't you want to ride  
Now follow, follow me now  
(Follow me now)  
Don't you want to ride  
Ride, ride!!

I'm gonna let it go, i'm gonna  
feel that flow  
I'm gonna put you in a trance  
I'm gonna take control cause  
I'm on a roll  
And snatch that pebble from  
out of your hand  
I'm gonna turn it out  
scream and  
Shout until i get my way I'm gonna turn that key and  
set you free  
Anytime, anywhere  
anyplace, hey!!

(chorus)

take me, take me down  
(Take me down)  
Don't you want to ride  
Now follow, follow me now  
(Follow me now)  
Don't you want to ride  
take me, take me down  
(Take me down)  
Don't you want to ride  
Now show me show me now  
(Show me now)  
Show me how to ride  
Ride, ride, ride!!

It's sunny outside  
And I Feel fine  
No cares tonight  
Ooh its time to ride  
now eveybody say hey!!

(Chorus)
