[Intro]

Ooh ooh

Yeah

Ring my bell

Ooh ooh

Yeah

Ring my bell

I'm back

You're home

The days you really miss me

I guess

You did, by the look in your eyes

Now lay back, and relax

Let your body put away the distance

Then you and me can rock-a-bye

You can ring my bell

Ring my bell

You can ring my bell

Ring my bell

Now the night is young

And full of possibilities

Well come on

And let yourself get free

Well the love (the love), for you (for you)

So long, I've been saving

But tonight, it's made for me and you

You can ring my bell

Ring my bell

You can ring my bell

Ring my bell

You can ring my bell

You can ring my bell

Ding-a-ling, ding-a, ah, ring it

You can ring my bell, anytime, any place
Ring it, ring it, ring it, ring it

You can ring my bell
You can ring my bell
Ding-a-ling, ding-a, ah, ring it

You can ring my bell, anytime, any place
Ring it, ring it, ring it, ring it

You can ring my bell
Ring my bell
You can ring my bell
Ring my bell

You can ring my bell
Ring my bell
You can ring my bell
Ring my bell

You can ring my...
Anytime baby
You can ring my...
Anytime sugar
You can ring my...
In the daytime
You can ring my...
In the night time
