(PT Lauren)

Selfishness means that I?m ok when you?re ok, ha ha!
I don?t matter, I don?t really do
A brief recess would be good, I know I can?t believe
That matter that fits the shoe
Just don?t talk about things that I don?t really wanna
see at all
No , I don?t wanna go out , though I don?t really wanna
be a bore
So stop and look around , do you see?
What you see is all for me
Not everything is your fault , but you don?t know it
So don?t get caught
Take a peak at what I show
Take your time I think you?ll know
My little dream , the silly thought
How could you know it, man , don?t get caught
I?m up with the crazy girl who shakes and hides her
ace
I?m badder than you know
It?s outrageous , that I know I can do everything with
pride
Get fatter , so it?ll show
That I don?t give a shit and I don?t really have to be a
man
No I don?t wanna grow up , I don?t really have to take a
stand
