I've always felt kinda special  
Around you baby  
But i know the reason  
I've been feeling this way  
Cause only you can light my fire  
Only you can do me right  
(chorus)  
This it is  
I think I'm losing my sense  
And I can't get a grip  
My heart is beat and I'm  
Feelin Alive  
Cause when I look into  
Your eyes  
I realize it's all about you  
And I  
It took some time but now I  
Know what I must do  
(I know what to do now)  
Gotta find a way to get  
Closer to you  
Only you can light my fire  
Only you can de me right  
(chorus)  
My friends keep tellin me  
That I should let you be  
But if i listen to my heart  
I know  
(Chorus)
