Innosense talking) Okay here it goes
Click over here
I don't know
I think it would be really cool
It's working, it's working
Shhh
It's going, it's going ok? shhhhh

(digivoice) Welcome Innosense
I've missed you
Please enter your password
Access granted

to me

We're double clicking on a
brand new thing
I gotcha logged on your
window screen
Gotta feeling wanna pull
you in
Can't wait for the fun
to begin
Cause I see you, see me
It's virtual ecstasy
I can be who you wanna be
And my website is
so sweet

(Chorus)

I've got what you want
right here
to me
how you make my hard
drive spin

are you get my
signal clear
to me
turn it up and let the

fun begin

Real love doesn't satisfy
I need somethin' that will rock
my mind
It's a global electro high
Just sit and
let the feelin' rise
You see me, see he
It's virtual reality
I can be who you
wanna be
It's a cyberspace web
dream

(chorus)

what's your code, where are
you from?
to me
boot me up and just turn
me on

your fiber optics are so
so strong
to me
lets get into it all night long

(chorus)

I've got what you want
right here
to me
how you make my hard
drive spin

are you get my
signal clear
to me
turn it up and let the
fun begin

what's your code, where are
you from?
to me
boot me up and just turn
me on

your fiber optics are so
so strong
to me

lets get into it all night long
