I must have been foolish  
But how could I be such a fool to let you get away  
But why did I do it  
'cause now I'm lonely oh baby what can I say

I want you  
I need you  
I love you  
Come back to me precious love  
In good times  
I'll be your sunshine  
No more bad times  
Come back to me my love

My friends tried to tell me  
That you were the man of my dreams, you should be in  
my life  
But I didn't listen  
And you're the only man for me and now my heart is  
broken in pain  
It's taking over me  
'cause I want your love in my life  
It's something that I need  
And now I'm crying

Oooohh  
Precious love  
Come back to me my love

I want you  
I need you  
I love you  
Come back to me precious love  
In good times  
I'll be your sunshine  
No more bad times

Baby I want you  
I need you  
I love you  
Precious love  
In good times

I'll be your sunshine  
No more bad times

Must've been crazy  
To let go of my baby  
To let go of my baby  
Yeah yeah yeah

Must've been crazy  
To let go of my baby  
To let go of my baby  
Yeah yeah yeah yeah

Must've been crazy  
To let go of my baby

I must've been crazy  
To let go of my baby  
Come back to me my love

I want you  
I need you  
I love you  
In good times  
I'll be your sunshine  
No more bad times

I'll be your shining star  
I'll brighten all your skies  
And if you'll love me baby

Come back to me precious love  
Don't let me cry  
Come back to me my love
