Ooh, ooh, yeah  
Ring my bell  
Ooh, ooh, yeah  
Ring my bell

I'm back, you're home  
The days you really miss me  
I guess  
You did by the look in your eyes

Now lay back, and relax  
Let your body put away the distance  
Then you and me can rock-a-bye

You can ring my bell  
Ring my bell  
You can ring my bell  
Ring my bell

Now the night is young  
And full of possibilities  
Well come on  
And let yourself get free

Well the love  
(The love)  
For you  
(For you)  
So long, I've been saving  
But tonight, it's made for me and you

You can ring my bell  
Ring my bell  
You can ring my bell  
Ring my bell

You can ring my bell  
You can ring my bell  
Ding-a-ling, ding-a  
Ah, ring it

You can ring my bell, anytime, any place

Ring it, ring it, ring it, ring it

You can ring my bell  
You can ring my bell  
Ding-a-ling, ding-a  
Ah, ring it

You can ring my bell, anytime, any place  
Ring it, ring it, ring it, ring it

You can ring my bell  
Ring my bell  
You can ring my bell  
Ring my bell

You can ring my bell  
Ring my bell  
You can ring my bell  
Ring my bell

You can ring my  
Anytime baby  
You can ring my  
Anytime sugar

You can ring my  
In the daytime  
You can ring my  
In the night time
