[Feat. Mikael Å...kerfeldt on lead vocals]

Prayers  
Confessions  
The peaceful tools  
Of a righteous man  
Redemption  
Forgiveness  
Serenity complete

And you believe  
That time will heal  
Erase your wounds  
Your lies conceal

Cleanse your soul  
In dreams of death  
Wherein you may concede  
But when you wake  
Remember this:  
In my domain  
Those scars will bleed

Your peace is not my peace  
Where you redeem  
I summon guilt  
Your fear is not my fear  
I summon the fire  
Your hell is not my hell  
The life you shun  
Is mine to live  
Your sins are not my sins  
In me you find no heir  
Your lies are not my lies  
Such grace  
I do renounce  
Your god is not my god  
Where he forgiveth  
I will unheal

Shameless  
Ever defying

The pride and joy  
Of a nemesis  
Fallen  
Godless  
Solitude complete

Yet - I will see  
Your faiths defeat  
Thy will undone  
My kingdom come

Wash your hands  
In frozen convictions  
Beyond you make your plead  
But come the end  
I guarantee:  
In my domain  
Those scars still bleed
