Now a days everybody wanna talk
But nuthin' comes out when they movin' they lips
Just a bunch of jibberish
And muthafuckers act like Eminem ain't gay
Everybody forgot
What happened?
What up Dre?
Yeah

Compton's in the house
Yeah that's right

Take some of this Compton dick
Let me take off this white shirt so you can see my bird

Scared to death, screamin' for help
So damn shook you almost shot yourself
