I'll be fucking, I'll be fucking  
Fucking in the bushes,  
fucking on the grass  
If you got some neden, bitch, I'll  
fuck your nasty ass  
I'll be fucking, I'll be fucking  
Let me tell ya somethin'  
When I look at you I look at a man who  
ain't never fucked  
Now don't get me wrong  
I believe that you mighta humped  
or somethin  
Now you might of even made love  
But see, I ain't even like that  
I mean, when I'm with a bitch  
I'll be fucking, I'll be fucking  
Fucking in the classroom,  
fucking in the mall  
Fuck em short, fat, stubble,  
crippled, bald or small  
I'll be fucking, I'll be fucking  
Let me ask you somethin  
When I look at you  
Something tells me that you just ain't sexin  
I mean, how can a man in his right mind  
Get with a bitch as fuckin folded as you!  
But see, the juggla ain't in his right mind  
So bitch,  
I'm coming over  
And I'm a let you know  
I'll be fucking, I'll be fucking  
Fucking in the chimney,  
fucking in the shed  
BITCH! I'LL FUCK YOUR UGLY ASS TIT ANY DAY!  
I'll be fucking, I'll be fucking  
I'll be fucking I'll be fucking  
Fucking in the bushes,  
fucking on the grass  
If you got some neden, bitch,  
I'll fuck your nasty ass  
I'll be fucking  
I'll be fucking  
I'll be fucking
