

## **Insane Clown Posse "Bang! Pow! Boom!"**

Visit "[Bang! Pow! Boom!](#)" on MotoLyrics.com

(chorus) with a bang! say goodbye to everything  
cause complete iniahlation is the reason he came  
and a pow! he's whipping everything out, turn your  
whole fuckin world into a mushroom cloud  
and a boom! it ur inevitable doom, nobody escapes and  
everybodies consumed  
welcome to the dark carnivals super show, you're our  
specialy invited guests and i'll tell you what for  
cause you're oue evilest pedifiles, racists and abusers  
all together we got  
fifty-thousand of you losers  
you're about to witness an incredible sight  
no ones ever lives to tell about it  
and dont think u might  
its about to rain flames  
frames and brains to be blown into peices is the reason  
u came  
racist bigigts wife beaters, judges and cowards all  
crowded together expecting a show and some dollars  
but instead the shit you're gunna see  
you're fearing in hell  
it a concert explosion, seeing feelings u shall

(chorus) (x1)

in the deserts of navada  
where nothin else matta, its the perfect place for you  
and your intestens to splata  
and while bang! pow! boom! stedy stop u all out

you're in the hole for the nuclear fall out with the  
snakes and creapy freak  
hotch and cotch and horney freaks  
shaddy ladies evil ernies richy richs and charlie cheaps  
bang pow boom! they say the show is the bomb  
i heard its strait up explosives, some even call it  
napalm  
nobody paddles back, it no kinda war  
ts a one way exicution, blow u strait to hell through the  
floor  
what u think you here for sound the alarm  
ladies and gentleman eat shit and die, lets bring em on

(chorus) (x1)

the earth is sick of demented brains and thoughts, but  
here they are all together, every one of them caught  
this is a celebration, in fact the carnivals cheering  
its not to often bang pow boom! makes an appearance  
and the winds in the sky will carry away with the ash  
but for now lets enjoy, the big bang blast!

(chorus) (x12)

(chorus)
