Shaggy...

[violent j]  
I can get naked, right here  
Id look like a eight pound polar bear  
Then I'd have to attack  
Fuck you up like that  
Psychopachics hatchet chops  
Slappin ninjas on their hiding spots

(crank his shank shooga booga baw)  
(juggalo nations in the house)

[violent j]  
To the left, to the right  
Over here! there! were everywhere...  
Always underground down with the bottom  
(bottom-bottom-b-b-bottom)  
Censorin from the radio list  
Fuck yall {bi\*\*\*\*\*...} miss! (hahaha!)  
Well, I guess well never be a radio star  
Wouldnt work anyway, way too bizzar...

Chorus: shaggy 2 dope

Anybody here? ? ? (everybody here)  
We got the gear? ? ? (psycho right here)  
Anybody care? ? ? (don't nobody care)  
Joker (joker)

Anybody here? ? ? (everybody here)  
We got the gear? ? ? (psycho right here)  
Anybody care? ? ? (don't nobody care)
