"i hope you enjoyed your ride on the terror wheel. but it
isn't over
Just yet. we have a phone number for you to call to hear
the name
Of the third joker's card. the area code is 1-313, and
for the rest
Of it, listen to the rhymes and match the numbers that
go with them.
Ahahahahaha!!!"

Call 1-313...
Call 1-313...
Call 1-313...
Call 1-313...

The rest

Unlock the door, and what's in store
Will be with you forever more
The number is (four)

I've come to relate I never saw the gate
All I saw was hate
So the number is (eight)

Everywhere I go there's a juggalo
And he's my hero
The number is (zero)

The juggalos key will forever be
Hand in hand with me
The number is (three)

The essence of time, yours was mine
Inside the rhyme you will find
The number (nine)

The moon and the sun, the sword and the gun
Is what I've become
Now the number is (one)

Now I will go a carnival show

Figure out the rhymes and you'll know
The last number (zero)

(phone number: 1-313-480-3910)

Call to reveal the third joker's card
