

Insane Clown Posse "Bugs On My Nuts"

Visit "[Bugs On My Nuts](#)" on MotoLyrics.com

Well, I don't understand the phenomenon
We fucking these hoes that look like spallala
Rich boys think that is shitty
But I like fucking crack heads with one titie

And I do it at the drop of a dime
And I get the scabies almost every time
So, let's talk about my nut sac
I don't front, Jack, I got bugs on my ball sac

Well, I'm Violent J and I ain't no bitch
I'm always quick to tell you when my nuts itch
'Cuz bitch, if I'm itching when I come home
Drop a brick in a sock, swing it on your dome

You didn't think nothing of it, just let me stick it
Probably should of known 'cuz I thought I heard crickets
In your neden but I ain't sayin' nuttin' though
I ain't sayin' nuttin' till I'm done nuttin', ho

And know I'm like, "Bitch how can this be
Tryin' to sleep and my nuts get up and watch TV
Then try to walk to the store and get a 40
How'd these bugs get on me?"

Somebody asked me, how I got scabies
Probably that homeless, fat, redneck bag lady
That I fucked in the shed
Then the little critters on my dingaling said

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty butts"

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty sluts"

Supurs on my boots and I don't give a hoot
'Cuz I got me a prudly womans love

I met this bitch and went up in it
Dropped her off, went to the clinic
Bitch, I got bizugs on my signac
So, tell me, what's up with that?

Should of said something 'bout your bug problem
Now, I'm gonna have to sock you in your mouth, bitch
Can't keep my motherfucking hands out my drawers
Stick a roach motel up under your balls

Nah, I'd rather stick 'em in a deep fry
And sizzle those motherfuckers off my wang
So, you wanna fuck around, always gotta buck around
Lift up your dingaling nothing but a bug ya found

Now, they call you funky nuts 'cuz you like funky butts
Scratching and biting them, now they call you monkey
nuts
But I ain't sayin' nothing 'cuz you ain't playin' nothin'
Bring the track back and I get back to the nut sac track

So, now I try to rap 'cuz the bugs is biting
But I ain't going out like a bitch, yo, fuck that
Stick 'em in a blender and hit the switch
Then I hit the bitch

Met this bum in the back of a dumpster
Fucked her in the rumpster, juggaluga humpster
Had to take a piss, so I pulled out my wang
Then I heard my dingaling sang

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty butts"

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty sluts"

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty butts"

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty sluts"

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty butts"

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty sluts"

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty butts"

"Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts, we want your nuts
Please, oh please, fuck dirty sluts"
