[Shaggy 2 Dope]

Well, I don't understand the phenomenom  
We fucking these hoes that look like spallala  
Rich boys think that is shitty  
But I like fucking crackheads with one tit  
And I do it at the drop of a dime  
And I get the scabies almost every time  
So let's talk about my nutsac  
I don't front, Jack, I got bugs on my ballzac

[Violent J]

Well I'm Violent J and I ain't no bitch  
I'm always quick to tell you when my nuts itch  
'cause bitch if I'm itching when I come home  
Drop a brick in a sock swing it on your dome  
You didn't think nothing of it, just let me stick it  
Probably should of known 'cause I thought I heard  
crickets  
In your neden, but I ain't sayin nuttin though  
I ain't sayin nuttin till I'm done nuttin, ho  
And know I'm like bitch how can this be  
Tryin to sleep and my nuts get up and watch TV  
Then try to walk to the store and get a 40  
How'd these bugs get on me

[Shaggy 2 Dope]

Somebody asked me how I got scabies  
Probably that homeless fat redneck bad lady  
That I fucked in the shed  
Then the little critters on my dingaling said

[Chorus (2x)]

Your nuts we want your nuts  
We'll itch and scratch and bite your nuts  
Your nuts we want your nuts  
Please, oh please, fuck dirty butts (sluts)

[Shaggy 2 Dope]

I met this bitch and went up in it  
Dropped her off, went to the clinic  
Bitch, I got bizugs on my signac

So tell me what's up with that  
Should of said something bout your bug problem  
Now I'm gonna have to sock you in your mouth, bitch  
Can't keep my motherfucking hands out my drawers  
Stick a roach motel up under your balls  
Nah, I'd rather stick em in a deep fry  
And sizzle those motherfuckers off my wang

[Violent J]

So you wanna fuck around, always gotta buck around  
Lift up your dingaling nothing but a bug ya found  
Now they call you funky nuts 'cause you like funky butts  
Scratching and biting them, now they call you monkey  
nuts  
But I ain't sayin nothing, 'cause you ain't playin nothin  
Bring the track back and I get back to the nutsac track

[Shaggy 2 Dope]

So now I try to rap 'cause the bugs is biting  
But I ain't going out like a bitch, yo, fuck that  
Stick em in a blender and hit the switch  
Then I hit the bitch

[Violent J]

Met this bum in the back of a dumpster  
Fucked her in the rumpster, juggaluga humpster  
Had to take a piss, so I pulled out my wang  
Then I heard my dingaling sang

[Chorus (8x)]
