(Children laughing, Toy cranks up)

Hey (x54)

(1st Verse- Violent J)

Every year it's more of us and all we do is fill the box
You might play with me at first, a couple days, a week
at tops

Just like your Atomic Supersonic Retro Plasma Car
We will all get tossed inside just like the piece of shit
we are

I will be your fantasy imaginary special friend
I can feel you, I relate with you no need to talk to them
But instead you toss me in the box, leave me to rot
away

Hoping you'll pick me again someday...hey, hey

(Chorus- Violent J)

Why don't you come play with me and take me to the
other side

[take me to the other side]

Lost under Ann Raggedy it's lonley when your locked in
side

[It can be so lonley] (x2)

(2nd Verse- Violent J)

I will sit and listen to your bibble babble jibber talk
But when you go in tonight you'll leave me out here on
the walk

You'll ignore your little friend or trade me for
something instead

Please come get your doggie, don't let him chew off
my fucking leg

All your mom and daddy do is work and fight, that's all
they do!

I can understand the way you feel because I feel it to

But you'll leave me in the box and I can barley hear you
play

Lost among the toys of yesterday,
hey[hey]hey[hey]hey

(Chorus)

(Shaggy2Dope)

Boys and girls, fuck that old crusty shit
Come down and get your brand new, ha, shiny
slimy, atomic shithead

[Super, duper!]

[Right]

[S-s-s-sonic, sonic]

[Right]

(3rd Verse- Violent J)

I can see you near the bed when I look through this tiny
crack

You become much older now and I don't see you
turning back

Seven years in darkness I can only hope my wish
comes true

That one day I'll get you in my hands...AND I'LL PLAY
WITH YOU!!

(Chorus)
