(laughter)

One pussy lickin, comin up!

What's your name handsome?

Clyde, ms. virginia, a pleasure to see you.

Oh my, you're all naked too, like ms. marge

Are you going to suck the poison out too?

Do you know what's under my apron?

No maam, I aint never looked...a cock like I got, I guess.

No clyde, it's a nice big cunt.

My name is shaggy but some call me saggy balls

Cuz you can see my ball sack hangin out my drawers

I wear short shorts, bitches stop and stare

Later on you see me partin through their cotton hair

I need a bytch

I always gotta check and ask

How many corn dogs been to the cotton patch

And when I fuck bytches that's what Im tryna do

My nuts is people so Im tryna stuff em in there too

Cotton candy

It wasn't made for the mouth

You don't believe me?

Then take a look and then south

Rotten candy, is what you'll find without a doubt

I stick my wang in the cotton hole and then Im out

Jump steady, rude boy, and nate the mac,

They huntin cotton, and shaggy shag know where it's at

So don't be stingy, there's more than one wicked clown

And bytch you got enough cotton here to go around

Now some bytches wanna go and shave the cotton off,

straight to the candy

Im with it

I wont get lost

That's why I bring the clippers with me

They comin in handy

When you fuck around with the cotton candy

(chorus)

Heyyyyyyyyyyyyyy cotton candy

Yeah hey hey,

Cotton candy don't get wet until it's in your mouth she

told me (2x)

My name is j  
The kiddies call me jitty pants  
Cuz I can play the flute and make my dick start to  
dance  
Like a snake I make it shake, rattle, and roll  
And this year my balls made it to the cotton bowl  
Unlike shaggy, he's scared of the cotton pie  
I ate so much cotton candy I got pink eye  
I can remember the first time I had a taste  
She pulled her panties down and stuck the cotton in my  
face  
I said your daddys home  
She said so fuckin what  
I tried to take my ding-a-ling and stick in her butt  
I tried to push it in  
I couldnt turn it out  
She said cotton candy don't get wet until it's in your  
mouth!  
Ohhh shit, so what was I to do?  
Run like a bytch, or have the cotton stew?  
I thought for a second, then I said what the fuck  
I ate so much cotton that my tongue came out her butt!  
Bblblbllll bytch, I'll have another bowl  
My boys had to come and get me cuz I lost control  
On our way out I had a new attitude  
Im like lets go eat some more pussy dude!  
(chorus)  
Marge, you know where the money is. you get it and  
hold it for  
Miss vicki while I kiss her pussy.  
Sure, clyde, honey.  
Okay clyde, now before you kiss my pussy lips, lick the  
insides of my thighs,  
Here and here. yes, it helps get pussy warmer.  
Yes, maam  
That's it, clyde, nice and slow. oh, that's nice, clyde  
baby.  
(chorus)  
Nice and slow. oh, that's nice, clyde baby. oh god! oh!  
lick the hairs of my  
Pussy! ohh-oh that's nice clyde! keep licking!  
Keep licking! oh my pussy, come on, clyde!  
(chorus)  
Go ahead and suck you bastard.  
Oh lick it, oh! fuck! lick more  
Suck it, suck it, suck motherfucker, suck!
