D-day (3x)

3, 2, 1 D-Day just begun

D-day the common dreary

Felt the power of the rhyming theory

Settin the pace with the league of mines

Selected rhymes one of a kind

This you woulda thought to long

Settle son front he words of tongue

I folded had the people craving

Ain't no believen ain't no mistaking

Cause the D to the l-r-y-i-c-a-l Pump the Project as if you  
couldn't tell

But now you know, comprehend what you mean

Addicted to the noise as if you were a feind

But you could care less as long as if feels good

Now I'm glad that's understood

Point out this drug is for instance of mater of material

That's the substance addicted to your brain

There will remain a part of you driving you insane

Like crack, for those of you that can't deal with it

Step back for those who want a real hit

Give me a clap and I'll feed you the remedy

Kill your hunger vital to your remedy

Heave these words that I say

Due to the fact it's D-Day

3,2,1 D-Day just begun

A glare is putting you under

Thinking who it is, no need to wonder

Cause you got backed in the dead end

So you don't play pretend or I'll do it again

And if your looking for trouble you can be there are  
people

I'll have you done like a little kid on a see-saw

You bet your ass if you wanna come my way

If you go today tomorrow you can find me cooling out,  
in my domain

Doing my best to obtain

A train of thought so you can be tought

A lyrical incline so make sure it's caught

So make you stand and don't sit down

And on your face is a frown  
Not a frown of sadness but a frown of madness  
You got played talking like your the baddest  
Bitch I don't really talk unless it's true  
But you been laughing your jaws and now you'll lose  
You try to burn with a match that ain't lit  
I ain't down with that bull shit  
Heave these words that I say  
Due to the fact its D-Day

Now listen to my rhyme give it a chance  
Cause to your brain my rhyme does inhance  
Think what you wanna say that don't mean shit to me  
I'm not the one who's living in misery  
It's you not me you see  
Imagine on what you claim to be  
Be yourself that's the way to act  
Learning this rap, a natural fact  
Hear these words that I say  
Due to the fact it's D-Day  
3,2,1 D-Day's DONE
