"When I grow up, I wanna be a giant. The biggest motherfucker of all, that would be the shit. I wanna be tall, I wanna be big, and I wanna be the biggest, biggest, biggest, biggest, biggest, biggest motherfucker of all, that, that, that would be the shit"

Violent J -

The jump off one summer night, I noticed my shoes  
was fittin wrong,  
My feet was all the sudden a half an inch too long,  
I jumped in my car, and thought now who the fuck was  
in my seat,  
Fuckin with my levers and readjustin my mirrors,  
I stopped to get a slurpie and I noticed I was floodin in  
my jeans,  
Gettin back in my car, I split my ass seams,  
My shit aint hardly fittin anymore,  
Fucked up detergent or, I'm growin bigger than a  
mother fuckin dinosaur,  
Got out the car and had to duck to get in Shaggy's  
place,  
You shoulda seen the fuckin look up on his painted  
face,  
He said

Shaggy 2 Dope -

Holy fuckin shit, I dont know if you knowin,  
But your growin and its obviously showin homie.

Chorus -

Watch when you fall down, oh shit,  
Watch when you fall down, oh fuck,  
Watch when you fall down, oh shit,  
Watch when you fall down, oh fuck,  
Now I'm growin again, now I'm growin again,  
Now I'm growin again, now I'm growin again, oh fuck,  
X2

Violent J -

The next day I woke up Shaggy's three dogs were  
trippin on me,  
Layed out on his couch a smooth nine foot three,

They dont fuckin love me no more,  
I stand up and put a whole in Shaggy's ceiling with my  
big ass nug,  
The dogs ran, Shaggy's like

Shaggy 2 Dope -  
Holy fuck dont move,  
First thing you gotta fuckin do is do not move,  
We need to get you out the house before you fuck my  
shit up

Violent J -  
I had to crawl to the hall into the front yard then get up,  
I'm lookin through the eyes of a twelve foot tall man,  
Dont feel any different, though I could use a tall can,  
I'm growin every hour and the reasons unknown,  
Now I'm sittin on your home with my feet on your lawn,  
damn

Chorus -  
Watch when you fall down, oh shit,  
Watch when you fall down, oh fuck,  
Watch when you fall down, oh shit,  
Watch when you fall down, oh fuck,  
Now I'm growin again, now I'm growin again,  
Now I'm growin again, now I'm growin again, oh fuck  
X2

Violent J -  
To me, SUVs and sedans, they're like pop cans,  
A little bit heavier, but tin in my hands,  
Shaggy's chillin on my shoulder in a custom made  
basket

Shaggy 2 Dope -  
Im tryin to ride with my boy in the bitch,  
And out last it

Violent J -  
I try to stay in one place, it aint no use in hidin,  
Helechoppers beamin with coppers on all sides,  
And the media, governments all offerin jobs,  
World press, scientists, all swarmin with the mob,  
All around us

Shaggy 2 Dope -  
Fuck it J you only gettin bigger dog,  
You and me, right now homie, go for a jog  
We been sittin here, lettin them observe us and for  
what,  
I say you tell em fuck the world and throw the Lotus up,

Violent J -

Now I'm runnin, every step is thirty two miles,  
shakin the earth, turnin buildings into piles,  
And I'm runnin, crushin trees like blades of grass,  
My heads above the clouds, all they see is my ass,  
And I'm runnin, 600 mile an hour wind gusts,  
Foot steps, explosions, three days of dust,  
And I'm runnin, I can still hear Shaggy on the  
megaphone

Shaggy 2 Dope -

Keep keep keepin on, dont stop, come on

Violent J -

And I'm runnin, through states in two steps or less,  
Through the oceans and dont even be gettin my nuts  
wet,  
And I'm runnin, finally gravity took me away,  
I ran right off the planet into the black of outter space,  
And I'm runnin

Chorus -

Watch when you fall down, oh shit,  
Watch when you fall down, oh fuck,  
Watch when you fall down, oh shit,  
Watch when you fall down, oh fuck,  
Now I'm growin again, now I'm growin again,  
Now I'm growin again, now I'm growin again, oh fuck  
X Unil end of song
