I fucking hate her to death
I fucking hate her to death
She's incredible, unforgettable, undeniable, breath
taking
furious, she's so mysterious, I'm curious
Earth shaking
She's always right every time
I fucking hate her to death
She gives me sight even though I'm blind
I fucking hate her to death
She's always saving my life
But she don't belong to me
She tells me things are alright,
But she don't belong to me
I feel her venomous bite,
Cause she don't belong to me
She's running
She's shinning
She's happy
I fucking hate her to death
She's caring
She's fine
She's smiling
I fucking hate her to death
I want you off this planet
I fucking hate her to death
You don't want me and I just can't stand it
I fucking hate her to death
I fucking hate her to death
