Psycho sick, psycho sick  
Pin you down and gets inside your brain  
Psycho sick, insane

Who's to blame for what they've done?  
Ain't the one, paint the gun  
I'm the jugga lugga lugga roni  
Best you leave me alonie

Some will say, I'm in a gang  
Guns do bang, nuts do hang  
Like the wicked jokers down river  
Quick to cut your liver

Sometimes bangers end their doom  
Boom boom boom, shlock lock boom  
I'm the other gang, that's the offender  
But you best remember

It don't matter which you pick  
'Cuz they sick, psycho sick  
They'll all cut your Richie ass up, bitch

Drinking forties, at Clown parties  
Then I go back home, the sewer drain

Fuck a bozo, pack a bowl, bowl  
Watch me balance on telephone wires  
Psycho, setting fires

Caught me naked in a tree  
Was it me, ICP  
Yes, I sing in a rock and roll band  
"Yeah, dude, what's up man"

Boo, had to scare ya  
Rip and tear ya 'cuz how dare ya?  
Come to bario like you's the fuck

Smack you 'cross your fucking lips

Swing my axe, upside your head  
Place the barrel in your mouth  
Blow your fucking tonsils out
