Slaughterin strangulars, jugglin jugulin juggulas,  
Fall-in, fat floppy titty freaks ic fuckin ps in the  
haugh!(hoo hoo!)  
Abracadabra, boom shaka day, Im violent j, and Im  
back like a  
Vertebrae.  
And I come with a hat full of tricks,  
Trunk full of faygo, car full of fat chicks.  
Ha ha-ha ha ha ha-ha-ha, fuck you.  
Wicked clowns, wed like to say what's up, to the  
cobras, x-men, and  
Counts,  
And everybody with clown love, even sucks I never  
heard of.  
Roll into town, and out with the big top,  
Four cards down, and two more still to drop.  
And when it does, I'd pack up and hit the road,  
Cuz I don't wanna see your head explode!  
Toss me an ax, and I'll toss you a dead chicken,  
Add a buck, ya get a two liter wit em.  
And when the genie says on with the show,  
Its hokus pokus jokers,  
Great milenko.  
(once again, it's the psychotic carnival creatures in the  
haugh)  
(chorus:)  
Hokus pokus jokers ride,  
Come take a spin on a carny-ride  
(end chorus)  
(southwest slivering snakes of darkness.)(w/milenko  
echo)  
(chorus)  
Shazaam, bam! shaka-laka lokey, shaggy the clown  
back like scoliosis,  
Call me a psycho-skitzo-freak, and I'll call you by your  
name! (dick  
Anus)  
Cuz I could give two shits and a fuck,  
I bounce down frimmer in a popcorn-clown truck.  
Im a circus ninja southwest voodoo wizard, I grab ya  
gizzard!  
Jump on the carpet, lets take a spin,

Everybody's waitin for the show to begin.  
Up to the top, by the neck, and let ya go, (wow!)  
Try to land in a glass of faygo! (uh!)  
You suck! ya missed the fuckin glass,  
Broke ya neck, and busted ya fuckin ass,  
But the genie says on with the show,  
Hokus pokus jokers, great milenko!  
(what awaits you after death? rub the lamp and  
explore!)  
(chorus)  
(enter milenko's funhouse! walk right through the  
wretched  
Hall!)(w/milenko echo)  
(chorus)  
F-f-fuck off!  
F-f-fuck off!  
Clown dawg freak dawg  
Joker dawg milenko dawg  
(visions of joker cards flashing in your mother's face!)  
(female chorus)  
Rude boy and chunky, down wit the clown,  
First time we ever went to Mexican town.  
I remember, we couldn't pay the bill, they got hot,  
And beat us down in the fucking parking lot! (fuck you!)  
To jest, jump steady, and nate the mack,  
Tagged icp by the train tracks!  
And it was on, the dawn of a new day,  
Magical carpets creepin down the freeway. (hoo hoo)  
Walked in a gypsy's tent with a food stamp,  
And walked out with a magical limp, yeah,  
I met milenko, he gave me three wishes,  
That night, I fucked three fat bitches!  
Stank, get the fuck wit it, forget it,  
I'll rip ya face off, and wipe my ass wit it!  
When the genie says on with the show,  
It's hokus pokus jokers, great milenko!  
(primal order, magic train, come join us in song!)  
(chorus)  
(city to village, hamlet to town, the show must go  
on!)(w/milenko echo)  
(chorus)  
(giant ladies, bearded ladies, radiant ladies! ladies? )  
(female chorus)  
(clouds of darkness, and underneath them come the  
clown!)  
(chorus)  
Fuck that!
