People say I talk too much
I don't care I talk too much
Momma say I failed in life
I don't care I failed in life (uh uh)
Daddy says I drink too much
I don't care I drink too much (nope)
People say I'm headed nowhere
And I don't fuckin care
Jimmy Johnson's gonna die
Sarah Suzie's gonna die
Everybody's dying slow
I don't give a fuck though (uh uh)
I'm only short like fifty bucks
I couldn't give fifty fucks
I could really use some help
You can go and fuck yourself (ooh)
Everybody's gonna die
Terror fallin' from the sky
Mothers with they children cry
And I can't give a fuck why
They say you'll never walk again
Well, plug the Sega in (haha)
I think somebody stole my truck
Tell someone who gives a fuck

[2x]

My entire world is falling, Entire world is falling

How much do they charge in there?
Wait a minute, I don't care (uh)
I'ma shoot you in the face
I'll tell you how the bullets taste (come on)
Critics say you immitate
I don't give a fuck-u-late (no)
50 million people dying
Awwwww, I'm crying
You tell me all the things you saw
As if I give a fuck at all
You see me sittin in the chair
Yet, I ain't even there
Everything you saying to me
Shhhhh, go right through me

If I was to pick it up
I'd have to give a fuck, and I don't
I don't care nothin' bout it
I can't do nothin' bout it
I can't do nothin' for you
I don't care nothin' bout it

Rainforest burning down
War and riots all around
I'm inside like fuck 'em all
What's the main event on RAW?
Posion, mad cow disease
Can I get that with double cheese?
STD's steady spreadin'
Bareback up in this neden
I don't care

[2x]

My entire world is falling, entire world is falling

I don't care nothin' bout it
I can't do nothin' bout it
I can't do nothin' for you
I don't care nothin' bout it
Everyday when I wake up
All I really wanna do is die
And go to the next phase
Ground up flesh is consumed
Everyone is gonna die...
Fuck I ain't afraid to die
Come on shoot me in the eye
Do it see if I survive
Give it to me point blank
Better "BANG!"
Did you hit 'em?
Yes, and I don't give a fuck less
Careful it's a dark night
Give your money or your life
Take 'em both for all I care
Dump your bullets right here
Eviction notice on the door
Addicted crawlin' on the floor
Ask me did I ever care?
Nah...

[4x]

My entire world is falling, entire world is falling

[8x]

I don't care, I don't care
