(Shaggy 2 Dope)

Maggots can't fuck with the Shaggy  
Cuz I got a crew, bitch  
A crew like you aint never even known  
Carnival freaks from the ghetto zone  
All waiten for the day to put you in your place  
I had the fat bearded lady sitten on your face  
Bitch boy bitchy you might get hurt  
Dead Carnival clown puttin in w-w-w-work  
You think you the shit cuz you think you to the upper  
hand  
But why don't you come and meet my boy, the strong  
man  
And he'll grab you by the head and squeeze until it  
pops  
And shake your motherfuckin neck until your head  
flops  
Cuz I'm runnin with the beaoch your motherfucks  
I'll make a voodoo doll of ya, and flick your nuts  
See I was born because I kill like Carny Rukas  
I came out the neden and started to choke ya  
motherfuckers  
I leave the screw driver sticking half way out your dome  
The worst part about is, I'm not alone

Chorus: Violent J (repeat 2X)

Jokers and freaks deep in the night  
Thought I was a nerd but ya picked the wrong fight  
J-J-J-Jimmy cracked corn but they don't care  
They bust ya in the mutha fucken head with a chair

(Shaggy 2 Dope)

I'm a nerd, and all the bitches call me a nerdy geek  
And they would love to stick their thumbtacks on my  
seat  
And they would throw their split balls at the class freak  
And everyone of them bitches died in there sleep  
Cuz I fuck around with books and the severed barn  
Crystal balls, black magic and jokers cards  
And that night just when I'm feelin lonely

The clowns come to my bed and juggle for me  
So don't fuck with the Shaggs cuz I cast spells  
And don't come cryin to me when your tongue swells  
I'm hangin with freak shows, like Crab Boy, Snake Boy,  
Flipper and Scab Boy  
And a man who can eat his own fuckin face  
And then shit it out and screw it back into place  
If you don't think so you can suck my bone  
Cuz I tried tellin ya man, I'm not alone

(Chorus 2x)

Well I like to hang with Tall Jess and Jump Steady  
Nate The Mack , Violent J and Uncle Fredy  
Chunky Mutha Fucky and Scott got my respect  
But I really like to hang with old rubber neck  
A freak show from the circus that you don't know  
And I fucked the Lion Lady in the neden hole  
And sometime she do an acrobatic flip on my nuts  
And it feels so good  
So tell your boys that they all a bunch of jump suckers  
I walk around your neighborhood chokin motherfuckers  
I used to be a fool but then the jokers got juice  
Shit changed when I started hanging out with Zeus  
And if you take me out you know I'm commin back  
again  
With my homeboys Jack and the Cannon ManHe come  
flyin  
out the barrel doin Mock 9  
With his fist commin straight for your spine  
Never fuck with the Shaggs cuz it's always ticken  
I throw a curse and turn your ass into a chicken  
So when you see me by my lonely in the ghetto zone  
Mutha fucka better realize, I'm not alone

(Chorus 2x)

(old man)  
Who's that (Jokers and freaks)  
Who's there?  
No, stop it.  
Ahh, I can't stand it.  
Ahh, go away.  
Leave me alone.  
No, no, ahhhhh.

(Chorus 2x)
