I breathe toxic fumes and throw my lungs up
All over your brand new patton leather penny loafers
You fuck!

I'm 2 Dope
I got sick ass sewer sluts stuck in my throat
And I live in a big pipe on Sugodulan
So stop by and have a bowl of rust
You fucking bitch-ass faggot!
Faggot, you bitch-ass faggot

I'm in a southwest Detroit Del Ray
Inner City ghetto street gang
I got people who want me dead
But everytime they run up on me
I get scared
And my skull explodes
All over those motherfuckers

Sometimes I get hungry, man
But there ain't nothing in the box
But a brick sandwich
So I start hurting that motherfucker
And I chew on that bitch
Till my jaw breaks
Which don't fade me
Cuz I'm a hoodlum
And I don't exist to you fucks
You fucks
You green grass fucks

Fuck me and I'll fuck you fucker
We coming, motherfucker
We coming to getcha
Coming to getcha
How you see me is what you get
Carnival of carnage is coming
How you see me is what you get
I was snooking good in my bed
Woke up to find my brain fell out my head
Stuffed it back in with a screwdriver

Ah, I'm that much liver
I can walk on my hands on a tight rope
But then I always fall and bust my ass
But it don't matter, really don't matter
Don't matter, don't matter, cuz I'm in the haugh!!!

In the haugh, in the haugh
Violent Violent J's in the motherfucking haugh
I'm in the haugh, you's in the haugh
We in the motherfucking WHAT?!!! haugh

Wicked wicked town
Southwest down
Wicked jokers kill
Southwest thrill

Get off me dog or shit face
I mean I ain't got shit on my face but ya know
People in the suburbs hate me (why?)
Southwest carnival crazy (aah)
My mind ain't nothing but a lemon
I mean it's fucking yelling shit
I don't know man, fuck off!
You can't fade me vato cuz I'm in the haugh!

In the haugh, in the haugh
2 Dope Shaggy's in the motherfucking haugh
I'm in the haugh, you's in the haugh
We'z in the motherfucking WHAT?!!! haugh

Wicked wicked town
Southwest down
Wicked jokers kill
Southwest thrill

I'm Greez-E and I can moonwalk
But I don't cuz that shit's so fucking played out
Instead I just grab this wang
And tell you that I'm in the haugh, bitch!
Parachute pants and moon boots
Chilling on the corner butt-naked hurting freak loops
Fuck a hillbilly goat
Sitting in the tub I'll let my nuts float
Cause I'm in the haugh

In the haugh, in the haugh
Greez-E's in the motherfucking haugh
I'm in the haugh, you's in the haugh
We'z in the motherfucking WHAT?!!! haugh

Wicked joker town

Southwest down
Wicked jokers kill
Southwest thrill
