(Violent J)

I pop out the box, swing on a spring
Big Violent J with the axe out (Shing!)
Trouble we bring, a juggalo thing
Wicked clown with the boom bow bang
IN YO FACE!

(Shaggy 2 Dope)

Smash through the glass as the fireworks blast
Shaggy The Clown here to murder some ass
I be the strangla, known coast to coast
and I turn any thug into a ghost
IN YO FACE!

(Violent J)

Some scream juggalo only when it's convenient
And no they don't mean it
We sick of bein' lenient
Step yo ass back before the hatchet attacks
And you catch a few hacks from the axe
IN YO FACE!

(Shaggy 2 Dope)

I crawl like a tarantula, on my toes and thumbs
Born to the carnies, gypsies and bums
I spit my raps and tongues
Over voodoo drums
Bitch wicked shit this way comes
IN YO FACE!

[Chorus] x2

For you!
Something special for you!
We got you covered homie,
Something exclusive for you
IN YO FACE!

(Violent J)

I was fuckin' this slut up in her dirty ass
Threw the rubber out the window as we drove past
Funny thing, I see you standin' on the grass
And it fuckin' stuck to your mustache

In yo face!

(Shaggy 2 Dope)

Bang to the pow, wang to the mouth
Bogo the wicked clown southwest style
From Pluto to Uranus, we underground famous
For doom, and 808 bass booms
IN YO FACE!

(Violent J)

I shook the hand of Satan with a cross in my palm
Burnt all the flesh all the way up his arm
I wasn't scared, I was giddy to do it
Then I knocked his head off and threw it
IN YO FACE!

(Shaggy 2 Dope)

Insane Clown Posse never gonna fade
Helped yo ass get laid back in 8th grade
Many years past and we still top grade
Blowin' up like a hand grenade
IN YO FACE!

[Chorus] x2

(Violent J)

Billy Bill, Jumpsteady, and Nate The Mack
Down 'till the end and never take it back
I'd die for the hatchet, the Psychopathic Records boys
bumpin'
Wicked shit thumpin'
IN YO FACE!

(Shaggy 2 Dope)

They all wanna kill us but we already dead
And if they think we'll ever die they severely mislead
Phonies out there posin' as juggalos
Vut they see it as a demographic to push what have it
IN YO FACE!

(Violent J)

Neden, if you ain't down with that fuck off
I like gettin' my dick sucked, jacked off and salad
tossed
Ugly hoes, fine hoes, none go to waste
But for you, herpes meth head anus
IN YO FACE!

(Shaggy 2 Dope)

Mike E. Clark can make the street pound
Legz Diamond all around is surround sound

One folk up and the other one down
Fuckin throwin' up the wicked clown
IN YO FACE!

[Chorus] x2
