Kill Me! Whut! Mutha Facku! Murder Murder! Bring It! Cause I'm Goin To Shangri-La Whut! I can't wait to die! Please Murder my mother fuckin' ass off! have you ever tried, to get the fuck up your hole, fall right back inside, once again denied have you ever seen, people turn into thy devil, over money green, Tell me what it means have you even been, to thy wicked part of town and, Would you follow me, If i knew where it rains diamonds, would you go again, they don't want you in no more poverty, as clean as we can be, yeah It rains diamonds nightly, in my Shangri-La lit brightly, who could miss this so inviting? Come stand mountain top and yell! What thy fuck a ninja gotta do around here to get his dead on? Somebody Stab my face or something! Kill Me! do you like to drink, would you fuck a girl thy day you met her, Dont you fire up, does this mean you wasted your life what you think, on thy kitchen sink holf your hatchet high, 'cause were gonna need'em when there's, your're completely fucked? I would differ some. fire in the sky, together we will die i can promise this, in my Shangri-La you'll have, eternal happiness, who could miss this so inviting? diamonds in the miss It rains diamonds mightly, in my Shangri-La lit brightly, Come stand mountain top and yell! bringing a peace untold, as i fade away to become what my eyes see, Diamonds drift upon thy mist of forgetfull ness, seeing into thy eternity of Shangri-La It rains diamonds mightly, in my Shangri-La lit brightly, who could miss this so inviting? Come stand mountain top and yell! It rains diamonds mightly, in my Shangri-La lit brightly, who could miss this so inviting? Come stand mountain top and yell! It rains diamonds mightly, in my Shangri-La lit brightly, Come stand mountain top and yell! who could miss this so inviting?
