Joke ya mind...
Joker jumping joker sing
Joke ya mind...
Wicked clown is in the house

Wake up in my golden bed
Wicked thoughts inside my head
Step outside and glide away
Nothing's wicked here today

I can breathe the magic mist
And excell your every wish
Juggla jump from cloud to cloud
Ring them bells, ring them loud
I can jump across the land
Wind up in the emerald sand
Swing the jewels of endless time
Take it all 'cause it's mine

Pour a bowl of chocolate soup
Serve it with the fruit loop
This is my world I am king
Joker sing, joker sing

Joke ya mind...
Joker jumping joker sing
Joke ya mind...
Wicked clown is in the house

I can fall in love like that
In my world she loves me back

If I chose, I chose alone
Freak is gone, boys is on
'cause the homies watch your back
Life is over like that
Once it's done, it's done, it's dead
Ticky-tocky-ticky-dead

If you feel the need to go
Go, go, won't ya go
They call you a freak show

Welcome to the carnival

Yes, ladies and gentlemen
The wicked clowns will arrive in your town soon
And believe me, it won't be pretty
Justice must be served
To the uncaring selfish wealthy ones
Be prepared and get ready
To catch 400 years of hell
And, oh, one last note to all
Wicked clown is in the house

Joke ya mind...
Welcome to the carnival

I can breathe the magic mist
And excell your every wish
Juggla jump from cloud to cloud
Ring them bells, ring them loud
