I'm sick of this bullshit
All these bitches thinking they're the fuckin whip
just 'cause they got a neden
Fuck yer neden bitch!
That's right and don't call me sex'est 'cause I aint
sex'est
I'm the sexiest but I aint sexist if IM sexist
then IM the sexiest sexist
bitch call me Sexy sex sexy sexist!

I see you hoes on TV glamorous models super
celebrities
Roles Royce fine wines and class
You need to come down to the hood let me spank at
ass
I want a famous hoe, A bitch on top with some helly
bank role
I Been chasing a girl from letters to Cleo
But she broke her Knee though, Mariah Carry man
forget it
If O.D.B hit it I cant fuck wit it!
Nothing against old dirty or nothing but
I know he at least got herpes or something
I wouldn't mind fucking Brittany Spears
In a cheap hotel wit them ceiling mirrors
Wit that bitch in a couple of weeks
I'd have her hooked on crack rock working the streets
All them hoes fantasize about juggalo scrubs
In between they thighs
But they too scared to let it be
So instead they fuck Ricky Martin and pretend its me!

[Chorus 2X]

Let a killer fuck you.
Let a killer fuck you.
Let a killer fuck you right!
Let a killer fuck you.
Let a killer fuck you.
Never gone back in the night.

Huh? Lets see were to begin knock knock
(Whose there) a ball sac for your chin

I be fucking them business hoes that jock
from them interns up to the presidents wife
Now Shelly ain't famous but I still put'em in a bone
through

The glitzy glaze grabbing a J I don't give a fuck
But Clyde walked in his jaw dropped down
Act like he never seen the butt cheeks of a clown
I had the secretary on the top of the desk
Ass hole naked, I was in the cigar chest
Smoking up keeping blunts with the janitor
Fuck all them hoes that jock ask my manager
Business women in executive halls
Let your head down an tongue slap my balls
Some of them bitches are a little bit old
Dusty ass neder with a loopy foam
Like this one chick I fucked in The dark
I had the bitch moaning like a happy ass retard

We finished turn on the lights it was horrid
Oh shit Sharon Ozbourn!

(Chorus x2)

Let a killer fuck you
Let a killer fuck you
Let a killer fuck you right!
Let a killer fuck you
Let a killer fuck you
Never gone back in the night

I wanna fuck Carmen Electra
'cause she'll fuck anybody first day she met ya
But as soon as she fall off the map
She on to the next guy like "High" baby
Let me fuck a famous hoe one night
I'll post the video up on our web site
(Hehhe) me an shaggy might sit with the stars
But my boys are out back break-in into your cars
Dumb hoes quite fuckin them richees
Wit silky shirts on turtle neck dickeys
Frenchies straight out the hair salon
With a faggot ass name like Jean
We the ones from the other side yellin
(clown love bitch !!) I'm the ghetto ride
I wont take you on the expensive trip's
But I'll part yo neder lips
(hehhe) people whanna ride wit dem or us
Jaguar with ken or a simple bus
Fuck you den we don't need you hoes
I.C.P forever with the juggalos

(Chorus 4X)

Let a killer fuck you
Let a killer fuck you.
Let a killer fuck you right!
Let a killer fuck you.
Let a killer fuck you.
Never gone back in the night.

I'm sick of this bullshit
That's right you need to stay on TV because this is my
reality
But I'm even sick of these hottys in the real world, like
at the beach
I see you at the beach bitch, wearing your thong bikini
You one of those bitch beaches, your one of them
beaches at the bitch
Your one of them and your a bitch at the beach
An I'm sick of that shit and the bottom line is this
I'm a go to the mother fuckin beach with my
mothafuckin Speedo's on
and I'm a walk up an down the beach like "SUP bitch"
(shahaha)
