Sick of this bull shit  
All these bitches thinking they're the fuckin' whip  
Just 'cuz they got a neden, fuck yer neden bitch  
That's right an don't call me sexist 'cuz I ain't sexist  
I'm the sexiest, but I ain't sexist  
If I'm sexist then I'm the sexiest, sexist  
Bitch call me sexy, sex, sexy, sexist

I see you hoes on TV glamorous models super  
celebrities  
Rolls-Royce fine wines and class  
You need to come down to the hood let me spank dat  
ass  
I want a famous hoe, a bitch on top with some helly  
bank role  
I been chasin' a girl from letters to Cleo, but she broke  
her neat

Mariah Carry man forget it, if O.D.B hit it I cant fuck wit  
it  
Nuttin' against ole dirty or nuthin'  
But I know he at least got herpes or something

I wouldn't mind fucking Britney Spears  
In a cheap hotel with them ceiling mirrors  
With that bitch, in a couple of weeks  
I'd have her hooked on crack rock workin' the streets

All them hoes fantasies  
About juggalo scrubs in between they thighs  
But they too scared to let it be  
So instead they fuck Ricky Martin  
And pretend its me

Let a killer fuck you  
Let a killer fuck you  
Let a killer fuck you right  
Let a killer fuck you  
Let a killer fuck you  
Never gone back in the night

Let a killer fuck you

Let a killer fuck you  
Let a killer fuck you right  
Let a killer fuck you  
Let a killer fuck you  
Never gone back in the night

Huh, let's see where to begin, knock knock, who's  
there?  
A ball sac for ya chin, I be fuckin' them business hoes  
that jock  
From them interns up to the presidents wife

Now Shelly ain't famous but I still put 'em in a bone  
through  
The glitzy glaze grabbin' A J, I don't give a fuck  
But Clyde walked in his jaw dropped down  
Act like he never seen the butt cheeks of a clown

I had the secretary on the top of the desk  
Ass hole naked, I was in the cigar chest  
Smokin' up keepin' blunts with the janitor  
Fuck all them hoes, say jock ask my manager

Business women in executive halls  
Let yo head down an tongue slap my balls  
Some of them bitches are a little bit old  
Dusty ass neden with a loopy foam

Like this one chick I fucked in the dark  
I had the bitch moanin' like a happy ass retard  
We finished turn on the lights it was horrid  
Oh shit Sharon Osbourne

Let a killer fuck you  
Let a killer fuck you  
Let a killer fuck you right  
Let a killer fuck you  
Let a killer fuck you  
Never gone back in the night

Let a killer fuck you  
Let a killer fuck you  
Let a killer fuck you right  
Let a killer fuck you  
Let a killer fuck you  
Never gone back in the night

I wanna fuck Carmen Electra  
'Cuz she'll fuck anybody first day she met ya  
But as soon as you fall off the map  
She on to the next guy like "Sigh" baby

Let me fuck a famous hoe one night  
I'll post the video up on our web site  
Me an Shaggy may might sit with the stars  
But my boyz are out back breakin' into your cars

Dumb hoes quit fuckin' them richees  
Wit silky shirts on turtle neck dickeys  
Frenchies straight out the hair salon  
With a faggot ass name like Jean

We the ones from the other side yellin'  
Clown love bitch, , I'm the ghetto ride  
I won't take you on the expensive trip's  
But I'll part yo neden lips

Hehhe people wanna ride wit dem or us  
Jaguar with ken or a simple bus  
Fuck you then we don't need you hoes  
I.C.P forever with the juggalos

Let a killer fuck you  
Let a killer fuck you  
Let a killer fuck you right  
Let a killer fuck you  
Let a killer fuck you  
Never gone back in the night

Let a killer fuck you  
Let a killer fuck you  
Let a killer fuck you right  
Let a killer fuck you  
Let a killer fuck you  
Never gone back in the night

Let a killer fuck you  
Let a killer fuck you  
Let a killer fuck you right  
Let a killer fuck you  
Let a killer fuck you  
Never gone back in the night

Let a killer fuck you  
Let a killer fuck you  
Let a killer fuck you right  
Let a killer fuck you  
Let a killer fuck you  
Never gone back in the night

Sick of this bull shit  
That's right you need to stay on TV

Because this is my reality  
But I'm even sick of these hottys  
In the real world like at the beach

I see you at the beach bitch wearing your thong bikini  
You one of those bitch beaches  
You're one of them beaches at the bitch  
You're one of them a you a bitch at the beach  
An I'm sick of that shit

Because the bottom line is this, I'm a go to the  
mothafuckin' bitch  
With my mothafuckan speedo's on  
An I'm a walk up an down the beach like, sup bitch?  
Ha ha ha bitch bitch  
Ooh we're gonna have fun he he he ooh yes
