Hello, Hi I'm Shaggs
I don't know, maybe you heard of me
The Southwest Strangla
That one guy from ICP
No?
Well, it's cool then you don't know what to expect
Allow me to extend my hand in friendship
To shake your fuckin' neck
As if you don't know, well you don't gotta clue
Two dope, maniac killa from dark lotus crew
Oh shit damn, lemme quit chokin' ya
Sike, UUhh... uhh... ahhhhahaha

I need a cigarette before I go ballistic
Statistics of my mind frame
Explains when I'm insane
I'm twiztid, branded
With the mark of the axe
A minor relapse and all I wanna do is split backs
Biaatch
I'm a maniac
But, you gotta understand that a
I can't control my hands and a
I'll love ta choke you if I can and a
Never once
Nowhere in my mind was I ever sane
Ever since I remember, kill is just a game

[X4]
I'm a maniac killa, blood gets spilled
See me on the streets bitch, don't get killed
My mind is on my axe and my axe is on my side
Tell me! Who wanna die?
Tell me! Who wanna die?

I'm a maniac killa, blood gets spilled
A maniac killa, don't get killed
I'm a maniac killa, blood gets spilled
A maniac killa, don't get killed

I be the maniac K-I double L-A
I slit their fuckin' throats and have

Sex with all the bodies, I'm a retard
People call me special though
I keep my victims eyelids
In a manila office envelopes
I split you like a cantaloupe
To see what's on your mind
Smokin' trees, keep me fine
Well at least most of the time
Till I'm on your front lawn
Waitin' in the cold, the lights on
But don't look like nobody home

At last I come creepin' through through the darkness
Missin' this dark and take out any carcass
Dumpin' out my victims
A couple suckas playin' dub with they gases
Nobody else ghetto path
Huh? muthafucka, give up your bread
This is blaze ya dead homie sickin' the head
I've been dead
I thought you knew, I'm a maniac killa
Psycho, thug, fillin' body bags on the daily whut?

[X4]

I'm a maniac killa, blood gets spilled
See me on the streets bitch, don't get killed
My mind is on my axe and my axe is on my side
Tell me! Who wanna die?
Tell me! Who wanna die?
