Um well J that was an interesting Halloween Story
Um anybody else have another Halloween story they'd
like to share with the class?
I have another one
Well you have just told your story J
So what bitch, you sit here every day and tell stories
I'll tell a story in this mutha fucka J
See he doesn't want me to tell my story
'cause he know my story, it's about Mr. Rotten Treats
All your parents know my story too
They don't tell you about him though
Long ago they all killed Mr.Rotten Treats
They're scared that you'll talk about 'em, they're
scared that
He'll come back from the dead, they're all scared he'll
cut your fucken ass
Welcome too, the other side
That's what they told me when I died
I was stabbed in the head
Look what ya done dead
All the blood bled, one juggalo dead I
t was a cold, dark, scary Halloween night
My neighbors and their people they didn't really like me
right
So they came and burn down my world
Just because I like to murder they boys and girls
It was the Halloween
I never ment to harm no one
I thought you were supposed to murder it was all in fun
I see the monsters and the goblins
I'm a killer too
But then they call me sick so what was I supposed to
do?
I come back from the other side I come for the people
that took away my life
Trick or treat bitch, my dead body speaks
You tricked me now it's only right that you try my rotten
treats Trick or treat, trick or treat
Watch as the dead man walks the street (2x)
Mr. Rotten Treats got all the good shit over here boys
and girls,
I got balls freshly picked form Detroit's biggest

nutsacks,

I got Milky bar with the delicious razor blade filling
I got fudge freshly packed from the worlds rarest
fudge packer
Must return to the other side
But not before I take these bitches on a murder ride
Murder go round, the dead body clown
Put the treats in your mouth, and swish it all around
Excuse me little boy, but is your daddy home?
Thank you sonny here's a little treat now run along
Hey buddy, you thought I was dead, man
You probably stuffed the fucken shank in my head
It was the Halloween I never ment to harm no one
I thought you were supposed to murder it was all in fun
I see the monsters and the goblins I'm a killer too
But then they call me sick so what was I supposed to
do?
I see you to the other side
Your buddies and your neighbors can come along for
the ride
Weak bitches, you thought that you had me beat
But this Halloween I'm commin back with my Rotten
Treats
Trick or treat, trick or treat
Watch as the dead man walks the street (2x)
Mr. Rotten Treats runs this bitch, bitch,
I got Fried titty nipples, sweet acid drops,
sweet chocolate covered nipple nuggets with the fresh
creamy shit filling,
ask about my bitch she loves my cookie dough nut
dribbles
It was the Halloween I never ment to harm no one
I thought that you were supposed to murder it was all in
fun
I seen the monsters and the goblins I'm a killer too
But then they call me sick so what was I supposed to
do?
Welcome to the other side
(Trick or treat, trick or treat
Watch as the dead man walks the street)
