I don't know, she ain't even looking that good
(Kinda fat)
Even so, I think I'd probably fuck her if I could
(Kinda fat like that)
It's just sumphthin' 'bout the way her titties swing around
(Boing)
Wiping poo-poo of they baby's butt, I think I wanna take
her down

Wanna fuck my homie's baby's mama
I'm attracted to the helly drama
I'ma fuck my homie's baby's mommy
Think I wanna fuck your baby's mama

Wanna fuck my homie's baby's mama
I'm attracted to the helly drama
I'ma fuck my homie's baby's mommy
Think I wanna fuck your baby's mama

Man this is some muthafuckin' bull shit
You talkin' 'bout you wanna fuck my girl
Man, we raising a baby together

Got ya similax formula, just baby fuck me please
Goo, goo, ga, ga, I make ya baby laugh
(Don't you like the way my ugly face looks)
But when baby go night night

that's why I'm telling you about him cheating on you
I ain't even like that, come here lemme hold you

Watchin' Jerry Springer all fuckin' day
Your baby rolling you a joint
(Lookie mama, I packed it with the good shit)
I told you if you let me hit it, I take you both to see the
point

(But the neden wasn't all that, so forget it)
Rubber binkies
(Binkies)
Food, all over the floor
Am I gonna help you clean it?
I'm out the fuckin' door
(Gotta go, and I won't be back no more)

Wanna fuck my homie's baby's mama
I'm attracted to the helly drama
I'ma fuck my homie's baby's mommy
Think I wanna fuck your baby's mama
(I already fucked your baby's mama)

Wanna fuck my homie's baby's mama
I'm attracted to the helly drama
I'ma fuck my homie's baby's mommy
Think I wanna fuck your baby's mama
